Step, Loving Jesus

Reality Check

We Act in Audacious Faith

In order to reach our valley with the Great News of Jesus, we will think big. We will set impossible goals, taking bold steps of faith and watching God move.

We Empty Our Pockets

We lead the way in generosity. Our staff and church will go above and beyond to give sacrificially to the God's work in our valley.

We Need Your Seat

In our mission to reach this valley, we will not cater to personal preference. We are more concerned with the people we are trying to reach than the people we are trying to keep.

We Are Not Judge Judy

We are known for what we are for, not against.

We Keep Things Simple

Simplicity enables excellence. We're intent on weeding out complexity and unnecessary hoops to jump through.

We Don't Charge Extra for Baggage

We strive to be simply real. With imperfect messy lives we are pursuing and experiencing a transforming relationship with Jesus and each other.

We Make a Impact Through a Servolution

Helping people and showing the love of Jesus to our community is most important to us. We are involved in the community and we serve our valley every way we can. We want to lead a revolution through serving...a Servolution!

We Create a Culture of Care

People are created to compliment, to enjoy and to help one another. We are dedicated to fostering relationships by creating a small group culture of care.

We Talk Less and Act More

We strive to be the strongest advocates, God's love in action, for the hurting, poor, forgotten, and broken in our communities and around the world.

We Wear a Tuxedo T-Shirt

We represent God's best when we bring excellence to all we do. We like to do things well without expecting unrealistic perfection. We bring our "A-game" to everything we do.

We Got Game

God has given us a huge vision that no one person can complete on their own. To work as a team towards the vision God has given us we have to lay aside our egos and personal aspirations.

We are Phat, Sick and Fly

We will continually search for new and culturally relevant ways to present Christ's message while remaining true to Scripture.
