## LAKE CHELAN

This Summer, many teens from RealLife Church will be given an amazing opportunity, an opportunity that many people never have the chance to take. This August we will be traveling back to Puerto Rico to assist Camp Caribe as they bring hope and health to their neighboring communities. In the wake of hurricane Maria the island still needs our help recovering. Although a year and a half have passed since the natural disaster, life is far from back to normal on the island and Puerto Ricans are still at a great disadvantage when it comes to meeting their basic needs.

We will spend most of our time doing work projects on the camp we are staying at. Camp Caribe hosts thousands of Puerto Rican kids every year and by having groups like ours help out they are able to keep the costs of camp down, meaning more kids can come. We will also be spending time with a local after school program teaching young kids basic life skills. We also hope to spend time in a veterans retirement home and a few drug rehab facilities. We will also take time growing in our own relationships with Christ, learning about who we are and how our story fits into His. I've learned first-hand how a trip like this can positively affect, not only the community we are traveling to, but also the ones who go. One of the many pleasures of my job is to watch the dozens of lives changed through trips like this every year.

As we plan and prepare for our trip, we ask for your support. Each person must raise \$1,700 to cover the costs of transportation, lodging, food, construction and other materials. There are many ways trip members can raise money (different fundraisers and manual labor being the most popular) but we are also encouraging them to reach out to those around them who would like to personally invest in their trip and that is why you are receiving this letter. If you are able to help us financially, we appreciate anything you can donate. We also ask that you would be in continual prayer for our group and ask God to mold each of us as we serve in Puerto Rico this summer.

Thanks,

-g
